SEASON 3

POSTER IMPOSTER

ORGANIZED BY:
ASCE STUDENT CHAPTER, DUET

IN COLLABORATION WITH:
DEPARTMENT OF CIVIL ENGINEERING, DUET, GAZIPUR

The goal of the poster exhibition is to highlight recent discoveries and research in the field of civil engineering. The exhibition intends to give undergraduate students a stage on which to showcase their studies and expertise on a range of civil engineering topics, such as environmental engineering, water resources engineering, transportation engineering, structural engineering, and geotechnical engineering. In civil engineering, the application of environmentally friendly and sustainable solutions is critical due to population growth and infrastructure development. In addition, the competition will offer a chance to investigate the most recent developments and breakthroughs in civil engineering and obtain perspectives on the field's future. Through this exhibition, students will be inspired to make a difference in the area of civil engineering and be encouraged to think critically and apply their knowledge to real-world challenges.

Eligibility:

Undergraduate students enrolled at **universities across Bangladesh** are eligible to participate in this competition. Participants **must remain undergraduate students until 1st January 2027**. Anyone whose **undergraduate student status ends** before this date will **not be eligible** to participate.
