

RULEBOOK

SEASON 3

MECHANICS HEROES

ORGANIZED BY:
ASCE STUDENT CHAPTER, DUET

IN COLLABORATION WITH:
DEPARTMENT OF CIVIL ENGINEERING, DUET, GAZIPUR

The “**Mechanics Heroes**” competition is a platform for undergraduate engineering students to showcase their proficiency in the field of mechanics. This platform is accessible to all of those who are currently enrolled in engineering programs at any university. This competition presents a series of intricate problems that probe the participants’ understanding of mechanical principles as they apply to civil engineering. It’s an opportunity to demonstrate innovation, analytical prowess, and the ability to navigate complex challenges. The event not only tests knowledge but also encourages the development of critical thinking and problem-solving skills, essential for future engineers.

Eligibility

- **Undergraduate students** enrolled at **universities across Bangladesh** are eligible to participate in this competition. Participants **must remain undergraduate students until 1 January 2027**. Anyone whose **undergraduate student status ends** before this date will **not be eligible** to participate.

Syllabus: *Here Everything Begins* SEASON-3

- Newtonian Mechanics (Statics and Dynamics)

Rules and regulations:

- The contest is open exclusively to undergraduate students currently enrolled in any university.
- Each contestant must register on their own via the registration link. No spot registration is authorized.
- A scientific calculator is allowed. Participants have to bring their own.
- Answers must be recorded on the provided script; no additional page will be provided.
- The questions will be prepared by our respective juries.

Compliance with Provisions:

- **Adherence to Rules:** All participants must follow both the competition rules and any additional regulations set by the host university.
- **Verification:** Participants must carry a valid university ID card for verification.
- **Plagiarism and Cheating:** Any form of plagiarism or cheating will lead to disqualification.
- **Respect for Judges' Decisions:** Participants should respect the decisions made by the judges and maintain professional conduct.
- **University Conduct Rules:** Abiding by the host university's code of conduct is mandatory.
- **Rule Modifications:** The organizing committee reserves the right to modify or change rules as needed.
- **Consequences of Violations:** Violating rules may result in disqualification.
- **Professional Behavior:** Participants must treat others professionally and respectfully.
- **Safety and Security:** Compliance with the safety and security protocols of the host university or organization is essential.

Note: All participants must adhere to the rules and regulations of the competition set by the host university.

Judging Criteria:

- All answer scripts will be evaluated by the **designated judges** based on the accuracy of answers, correctness of calculations, and appropriate application of mechanics principles, as applicable to each question.
- The **final rankings** will be determined according to the **total marks** obtained by the participants. The participants securing the highest, second-highest, and third-highest marks will be declared **Champion, 1st Runner-up**, and **2nd Runner-up**, respectively.

Prize Pool

- Prizes will be awarded to the **Champion, 1st Runner-up, and 2nd Runner-up** based on their final scores.
- The total prize pool is **BDT 18k+**, distributed as follows:

Champion	:	BDT 9k
1st Runner-up	:	BDT 5k
2nd Runner-up	:	BDT 4k
- The winners of the **Mechanics Heroes** segment will receive a **Gorgeous Crest and a Certificate**.

N.B. The rules and guidelines stated above are **subject to change** at the discretion of the organizing committee. Participants are advised to **check official announcements** regularly for any updates or changes.

Registered Participants will receive

Registered Participants will receive →

- Event Kits [T-Shirt + Merchandise + ID Card]
- Breakfast and Lunch
- Participation Certificate
- Transport Facilities (Specific Routes)

Registration Process:

Registration Fee	: BDT 500.00
Payment Method	: Online payment gateway via the official website.
Registration Link	: https://ascechapter.duet.ac.bd/cevilization/23
Event Date	: 01 January 2027 (Friday)
Event Schedule	: Will be announced via Website/Facebook/CA
Event Link	: Will be added soon.
